So you want to give out a promotional USB flash drive that is ‘Green‘… well look no further, when it comes to promotional USB flash drives you don’t get much greener. Made from recycled wood the ‘Wooden Stick’ is super environmentally friendly. Your logo can be laser etched directly into the wood of the USB flash drive or you can print you companies logo directly onto the USB flash drive in up to 4 spot colours. The cap of the USB drive is held securely by small magnets. Be Good…Go Green…
